Full-time
position
available

This role will involve ensuring that services are delivered safely, effectively and to a high standard of quality, complying with or exceeding the specifications commissioned by the NHS.

Successful applicants will need to be educated to A-level or equivalent and have operational experience within a healthcare environment. Experience of delivering patient services, managing demand and capacity issues and liaising with multiple agencies will be essential in this role. Ideal candidates will also have experience working within a busy service environment with excellent interpersonal & communication skills.

Formed in 2008, About Health became a Totally PLC company in 2016. We provide high quality services across the country, by working in partnership with commissioners and local providers.

We have also established and developed a robust clinical education programme to support primary care colleagues in their career development.

Closing Date: 14th December 2018

We encourage you to apply as soon as possible as this role is very popular and once the positions are filled sufficiently, we may have to withdraw the opportunity.

Interviews will be held on 19th December 2018
