Our Advanced Nurse Practitioners play a major role in our Urgent Care centres by utilising advanced clinical skills to mentor Junior Practitioners and ensuring treatments and care provided to patients are based on best practice and evidence based care.

Successful candidates will hold NMC registration and have five years post registration experience, and a degree in advanced practice and independent or supplementary prescribing qualification.

We are a leading provider of primary care in collaboration with the NHS, who values the professional developments of our Clinicians. We have a wide range of benefits to offer you including a competitive salary, free medical indemnity cover, maternity and sick pay and exciting progression opportunities within the company.

We encourage you to apply as soon as possible, as once sufficient applications have been received we may decide to close the advert early.
