

ORGANISATIONAL DEVELOPMENT PRACTITIONER

Nationally based

Full Time

Up to £25k per annum

Our values reflect our desire to do our best for patients and to getting better at what we do and how we do it. Our vision shows our commitment to helping people stay healthy at home and out of hospital as much as possible. We provide a learning and organisational development service to complement the great work that the people in our care delivery services do in a range of clinical environments. As a team we help each other to be healthy, learn and achieve.

Vocare Ltd are recruiting an Organisational Development Practitioner to work on a full time basis who is up for a challenge.

Telephone interviews will be held in the week commencing 16 January 2019.

If successful, an assessment centre will then be held in the week commencing 30th January 2019.

In this role you will be working with the Head of People and Organisational Development to help plan, organise and deliver work in order to deliver the People Strategy and OD Offer.

Successful applicants will be qualified to Minimum level 3 qualification in related subject CIPD qualification, or part qualified and currently working towards full qualification. You will also have experience in developing systems and processes, developing people, and must be an experienced trainer of in-house development courses. You will also have proven experience of program, project or events management. OD Knowledge and experience of routine data collection, analysis, reporting, responding and adapting to meet the needs of the customer will be essential for this role.

The Organisational Development Practitioner may be required to be based at any Vocare centre and travel to all sites may be required.

Vocare is operational 24 hours a day, 7 days a week, 365 days a year and flexibility around these hours will be required and travel around the centres across the country may be necessary.
