HEALTHCARE ASSISTANT VACANCY

About Health are recruiting a Healthcare Assistant who will be responsible for assisting in the delivery of care to meet individuals' health and well-being needs. This role will be based across West Hampshire (South).

Based across Lymington New Forest Hospital, Romsey Community Hospital & Testvale Surgery, Totton.

Agenda for Change Band 3

Part-time position available

Excellent working environment

This role will involve providing chaperoning duties to dermatology consultation clinics, assisting in minor procedure clinics and preparing patients, equipment and materials appropriately for the activities to be undertaken.

Successful applicants will need to have previous experience in an outpatient / GP setting / health setting. Ideal candidates will also have experience working within a busy service environment with excellent interpersonal & communication skills and the ability to prioritise their own workload.

Candidates will also need to be able to offer flexibility in their working hours in order to meet the needs of service. Being qualified with a NVQ Direct Care Level 2 or equivalent customer facing experience and previous experience of assisting minor procedures would be desirable but are not essential.

Formed in 2008, About Health became a Totally PLC company in 2016. We provide high quality services across the country, by working in partnership with commissioners and local providers. We have also established and developed a robust clinical education programme to support primary care colleagues in their career development.

Closing Date: 11th January 2019

We encourage you to apply as soon as possible as this role is very popular and once the positions are filled sufficiently, we may have to withdraw the opportunity.

Interviews will be held on 22nd January 2019
