This role requires the advanced assessment of clients within a private setting who have been referred via the council after an application for Blue Badge or other disability benefits. The successful applicant will manage their own clinical caseload, be comfortable writing in depth and clinically reasoned medical reports for the council assessing patient mobility and eligibility against DFT guidelines, and will adhere to professional standards at all times.

We offer flexible working where possible, an excellent salary, excellent working environment and exciting opportunities for progression within the company. We also offer Full induction and training for the job role as well as regular CPD and access to budget for funding external CPD courses. Employees also have access to an employee assistance program and employee benefits such as Bupa Rewards and Childcare Vouchers.

Successful candidates will be a HCPC and CSP registered Physiotherapist or Occupational Therapist with excellent attention to detail. You will also be energetic and proactive with the ability to work independently as well as part of a team. Ideal candidates will be computer literate and have excellent time management and organisational skills.

CLOSING DATE: 31st March 2019

We encourage you to apply as soon as possible as once sufficient applications have been received, we may decide to close the advert early.
