4 - 8 hrs per day

Please note the pay rates will be dependant upon skill set

The Dermatology Doctor will report to the Clinical Director, and is responsible for contributing to the successful delivery and supervision of all aspects of the dermatology service, in line with agreed aims and objectives. The Dermatology Doctor will drive best practice in overall patient care within the service.

Successful candidates will hold GMC registration have current accreditation for GPSI Dermatology. Ideal candidates will also need experience of out-patient/community as well as a broad understanding of all elements of, and a commitment to the principles of Clinical Governance.

Ideal candidates will also have experience working within a busy service environment with excellent interpersonal & communication skills. You will also have good attention to detail and be able to prioritise your workload. The post holder is expected to work flexibly to be able to meet the challenges and opportunities of the post.

We encourage you to apply as soon as possible as this role is very popular and once the positions are filled sufficiently, we may have to withdraw the opportunity.
