Due to continued success and business growth we are seeking Dermatology Nurses who are passionate about improving the lives of our patients and delivering a high-quality service to work with us to build on our aspirations to achieve an 'outstanding' CQC rating for all domains and to share and demonstrate our visions and values. We have recently been inspected by the CQC and achieved good overall rating with outstanding rating for caring.

You will be supported by, and work with, a diverse multi-skilled professional team consisting of clinical and non-clinical staff. In return we offer flexible working options, family friendly policies, Employee Assistance Programme, career development within an expanding organisation, a competitive salary and benefits package and access to the NHS Pension scheme.

We deliver our services in a range of community settings; day to day duties include undertaking nurse led clinics and various nurse led services; ensuring excellent standards of nursing care to patients through the planning, delivery and evaluation of care pathways for dermatology patients.

Successful candidates will hold NMC registration, extensive experience in Dermatology and a qualification in Dermatology. Ideal candidates will hold a nurse prescribing certificate and have experience of working autonomously in an outpatient setting.
