Optimum Physiotherapy has been established since 2003, and currently provides physiotherapy services at 23 clinics across 10 counties. The company is committed to enhancing customer satisfaction by providing a personalised service bespoke to our individual customer's needs.

We are looking to recruit an experienced Clinical Regional Manager in order to assist with providing the highest possible care to all of our patients.

This is a great opportunity for a full-time Regional Manager to work out of our facilities in both Stevenage and Welwyn Garden City. You would be required to split your time over both Physiotherapy and Management work. To succeed in this role you will be a committed and enthusiastic individual with a passion for helping to sustain and continually improve standards within the business.

Management experience along with previous physiotherapy work experience is required with a wide range of knowledge of musculature treatment approaches for a range of conditions.

Successful candidates must have a driving license with access to a vehicle for the purposes of travel between working locations.

Closing Date: Sunday 5th April 2020

Interviews: Week Commencing 13th April 2020
